

# ELF.S. (EARLY LEARNING FOR SAFETY)

An injury prevention programme for 3 - 5 year olds  
linking hospital and education

Debbie Lock, an I.M.P.S. manager and E.L.F.S. co-ordinator from the John Radcliffe Hospital in Oxford will talk about how to use the E.L.F.S. programme to teach children:

- injury prevention,
- about safe people and places
- what happens in a children's A & E department.

Using:

Games, Puppets, Rhymes, Dressing up and Stories
